

Important information about your borrowed media!

From now on please check the return date of your borrowed media yourself.
Try to extend the loan periods online, by mail or by phone.

We will reactivate our mail reminder service in mid-June for all those who have entered their mail contact in the online account.

After 6/28/2021, late fees will again apply, if not renewed or returned by the due date.

Please take note

- There may be a longer waiting time outside the facilities.
- Returning media is possible at the facilities and contactless via the 24-hour vending machines at Mailänder Platz and in Heschl.
- If you use the return boxes in Vaihingen and West, the media will be returned on the following working day at the latest.
