In the library at the Mailänder Platz audio guides are available for guided tours at the library at the Mailänder Platz and the branch libraries. All information about guided tours at the library at the Mailänder Platz and the branch libraries can be found at:

www.stuttgart.de/stadtbibliothek/stations

GUIDED TOURS

With the Adventurer app, school classes from grade 7 can embark on a journey of discovery, which will be recorded. Every tour can be recorded video, photo and sound. In this case please contact library staff, phone or by email. As soon as the tour is finished, you can send the video, photo and sound to the library staff. The library staff can then send the video, photo and sound to the library staff. The library staff can then send the video, photo and sound to the library staff.

You can request to receive email reminders of future library events, which will be recorded. In this case please contact library staff, phone or by email. As soon as the tour is finished, you can send the email to the library staff. The library staff can then send the email to the library staff.

With your library card you can lend netbooks and laptops for use in the library at the Mailänder Platz or in the branch libraries. You can bring your media back (exception: pieces of art) to all our libraries where you have borrowed the media. The library card is for free.
